 A half truck load is approximately 6 kits and a full truck load is approximately 12-14 kits. This will fluctuate depending on the kits that you choose.  
 The kits are packaged on four way forkable pallets. The pallets are designed to be pushed or pulled. The kits are wrapped in weather resistant packaging and are designed so they can be stacked on top of each other for easier storing. Prices are subject to change due to market fluctuations.  
 Current Estimated lead time is 3-4 weeks  
 \*Buildings are wide loads and require appropriate permitting for roadway travel.  
 These prices good until August 31st, 2010.
